PROFILE SUMMARY

Versatile Front-End developer skilled in HTML, CSS, JavaScript, and frameworks like Bootstrap. Experienced in creating responsive designs, customizing WordPress sites, and managing version control with Git and GitHub. Passionate about delivering user-centric interfaces and optimizing performance while staying updated with industry trends and best practices in web development.

EDUCATION

- 2012
AL AZHAR UNIVERSITY
- Bachelor of Agricultural Sciences

WORK EXPERIENCE

- inverness egypt** 2024
INVERNESSEGYPT.COM/

I developed the front-end design of the Inverness Egypt website, focusing on creating a clean, responsive layout with intuitive navigation and optimized user experience. Ensured seamless integration of design elements for a modern, professional look.

SKILLS

- Programming Languages: HTML, CSS, JavaScript
- Frameworks/Libraries: Bootstrap
- Content Management Systems: WordPress
- Git, GitHub
- Other Skills: Responsive Design, Cross-Browser Compatibility, SEO Basics

- Injaz Education website** 2024
injazedu.co/

I worked as an assistant front-end for the Injaz Education website, focusing on creating a clean, responsive layout with smooth navigation. I ensured the design was mobile-friendly, user-centric, and aligned with the brand's visual identity
